The Nature of Wood and its Environment

All hardwood has variation in its color and grain. In manufacturing and finishing its chairs, F&N Woodworking strives to bring out the natural beauty and character of each piece of wood. These wood characteristics give each piece of solid wood furniture its unique charm, and, although the finishing processes are identical, no two pieces will be exactly the same.

Because most hardwoods are open grained, solid wood furniture will expand and contract with changes in humidity and temperature, even after protective finishes have been applied. Care in controlling the furniture's environment will help minimize the minor cracking and warping that is a natural part of the wood's character.

Indoor humidity should be kept in the 35 to 40 percent range to minimize these effects. If the humidity moves out of the ideal range, solid wood chairs can expand or contract causing a split in the wood grains of the chair seats.

Additionally, direct sunlight and fluorescent fixtures that contain ultra-violet rays can cause chemical changes in the wood and finish and should be avoided. Furniture should also be kept away from direct sources of heating and cooling and out of attic or basement storing environments.

With proper care, solid wood furniture will provide a lifetime of enjoyment and can be passed on to future generations.

An innovator of hardwood chair design, F&N Woodworking began manufacturing chairs in 1995. Started by Freeman Miller, this family owned and operated business has pioneered its way to bringing its customers a wide range of styles with an emphasis on comfort, quality materials and superior Amish craftsmanship.

With a second generation of family now involved, F&N is committed to many years of leadership in design, manufacture and customer satisfaction.

A rustic interior scene with a brick wall, a dark door, and a window. The door has a sign that reads "COSMO BUTTERMILK SOAP CO.". A small wooden cabinet is visible next to the door.

Wood Species

- Red Oak
- Wormy Soft Maple
- Brown Soft Maple
- Cherry
- Quarter-Sawn White Oak
- Elm
- Walnut
- Hickory
- Hard Maple

**All woods are available in Rustic or Select.
See the "Notes" page in our price list for pricing.*

** All Rustic knots are filled with black epoxy filler.
Please specify if you do not want them filled.*

Desk Bases
