OLD TOWN OAK LLC

Specializing in Baby Furniture

2017 Catalog

About Us

Old Town Oak, LLC offers solid, American handcrafted baby furniture made of various species of wood, including Sap Cherry, Cherry, Red Oak, Brown Soft Maple, White Oak Quartersawn, and Grey Elm. We handcraft our furniture in the heart of Amish Country in Northern Indiana. Our cribs are sturdy and durable with mortise and tenon joints and a substructure made of steel inserts and connector bolts. Our dressers feature dovetail wood drawer boxes and full extension slides, all features that make sure our baby

furniture will stand the test of time. Having been in business for 10 years, we can offer you the quality cribs and dressers you expect and deserve.

All cribs conform to Consumer Product Safety Commission (CPSC) 16CFR1219 and ASTM F1169-13 standards and are up to date with all regulations tested through certified third party labs.

Reversible Dressers

We have several different styles of changing tables to choose from. All of our changing tables/chests come standard with dovetailed drawers and full extension drawer slides. We have several options of hardware to choose from. Hershberger Hardware is our preferred hardware vendor, we will accept hardware from a vendor of your choice if you prefer. Each table is conveniently designed to be used as a changing table until your child is old enough, then the table can be flipped and converted to a chest of drawers or as a wardrobe. Styles with changing box option are converted to a chest simply by removing the changing box.
